INTERNATIONAL FRIENDSHIP PROGRAM

POC: DEBBIE, 563-8015

As the holidays approach, it is important to remember what they are about; a time of caring, giving and sharing. Sharing could be something as small as sharing your time over the holiday period with International Military Students (IMS). We will have several International Military Officers that will not take leave during the holidays. Within the spirit of the holiday season, consider sharing your time and traditions with others from around the world. This will allow them to see and experience our culture. It will also allow you the opportunity to learn about how their culture celebrates their holidays and traditions.

There are several different ways to share your time with them over the holidays. It could be something as simple as offering to take them shopping when you go to shop. Our IMS love to shop and send things home. You could invite them to drive around and look at the lights or invite them to a community activity. You could invite them to share a meal; after all, there are usually plenty of leftovers.

If you are interested in hosting an International Officer over the holidays, please contact Debbie or Pat. Our phone numbers are 573-563-8015 or 573-563-0068.

FORT LEONARD WOOD LIONS CLUB

Fort Leonard Wood Lions Club

The FLW Lions Club was chartered 20 January of 1966 and has been a part of the world's largest service organization ever since. The FLW Lions Club was one of the only Lions Clubs formed on a military installation, and currently we are the only Lions Club that remains on a military installation. The motto of Lions Clubs International is "WE SERVE" and the FLW Lions Club makes great strides in living up to this motto. Lions Clubs International has 1.3 million members and is located in 206 countries. The locations represent more countries and geographic areas than the United Nations. We are only one club of 45,000 clubs world-wide. For more information on Lions Clubs International visit the website: www.lionsclubs.org. The FLW Lions Club is very active in the district and state levels with four active Past District Governors and a number of members on district and state level committees.

The FLW Lions Club is involved in the following programs at the local level:

We are planning for the 2010 St. Nick's Benefit. Our next planning meetings will be every Wednesday until the event. You are welcome to attend these meetings at Building 312 from 11:30AM to 12:30PM. Since this is a lunch hour meeting, bringing a lunch is highly encouraged. Volunteers are always welcome. Fliers have been distributed; please help us by either sponsoring a child or providing a cash donation. We also want to invite you to the St. Nick Benefit event on 14 December at Grant Hall, Building 2100. The program will start promptly at 10:00am. We will have the Boys and Girls Town Choir along with a group from the Child Development Center will perform.

We continually collect gently used eyeglasses that are taken to a collection point, cleaned, calibrated, and given to eye doctors who go on mission trips to third-world countries. During the trips, the doctors give the eyeglasses to the needy. If you have used eyeglasses, feel free to give them to any of our Lions Club members.

We rely solely on donations to support all of these programs. All of the money we raise from the community goes back into the community.

For more information contact one of our forty-four members or email us at flwlions@hotmail.com. The officers for the 2010-2011 Lions year are: President – Lisa Clinton; 1st Vice Pres. – Julia Erskine; 2nd Vice Pres. – Harold Burleson; Secretary – Wendy Williams; Treasurer – Bruce Simpson; Lion Tamer – Vernon Allen; Tail-Twister – Jocelyn Morris; Directors – Dawn Arden, PDG Casey Morris, Jr., PDG Julia Erskine, Louise Bibbs
